*Re: Blue v. Johnson etc., N.D. Cal. Civil Case No. C-07-5370 MJJ*

Dear Mr. Apgood:

Thank you for your email of this morning. Just to clarify, you called me on the morning of November 9, not "last week" as your email states. Please be assured that I am fully aware of the Rules of Professional Conduct, and obtaining confirmation of your representation was exactly the purpose of my letter to you on November 20. Thank you for providing that confirmation.

To answer your request for a stipulation, my client does not consent to "severance and removal" of the case to the Western District of Washington.

Since Ms. Woffinden has already answered the Complaint, we seek to obtain dates to discuss the discovery schedule pursuant to the Federal Rule of Civil Procedure 26(f), ADR Local Rule 3-5, and pursuant to the Court's Order Setting Initial Case Management Conference and ADR Deadlines, as noted in my letter of November 20. Please let me know your availability as soon as possible. Furthermore, if Ms. Woffinden wishes to save time and money, she may want to consider responding to our request to her on November 6 to discuss resolving the matter through a settlement.

Very truly yours,  
Vogele & Associates

/s/  
Colette Vogele
